

Finding Your Assessment Information on ChurchHub.ca

1. Select the Reports dropdown in the black ribbon on the Annual Assessment or Annual Statistics tile.

2. Select which report you wish to see: Target Assessments or Assessment Invoices.

3. If you select Target Assessments, there are two columns for years. The first, Statistics Year, indicates the year of information provided to us through the annual collection of statistics data. The second, Assessment Year, indicates the year the target assessment is for based on the annual statistics data.
