Join with **People in Partnership** in building connections around the world.

Companions are one of four streams of service that link people and communities of faith, working together in God's mission to realize a dream of peace, justice, and care for creation. They are teachers, storytellers, election monitors, chaplains, community workers, youth workers, human rights observers, peace builders, and farmers. Companions serve for **1 month to 2 years** and receive an honorarium.
